SIGNAL, Not Noise!

SPEAKER AND MEDIA KIT

Geopolitical Risk Strategist / Corporate Security Strategist / Crisis Advisor / Author

Advisor to CEOs, boards and family offices

AJ Signal is a former military and strategic security and geopolitical strategist, and a practitioner and leader in global corporate security. After ten years in uniform, including service as a military criminal investigator, he has spent more than a decade developing and directing global security teams for multinational corporations and private family offices across the Middle East, Africa, Europe, Latin America and Asia Pacific. He tracks the inputs a war cannot run without, from military blood stocks to physical gold flows, and publishes dated forecasts that can be checked against the record.
